

Letter of Agreement
Between
Federal Way Education Association
And
Federal Way Public Schools

The parties agree to the following:

The District and Association support the development of new teachers from within the community through the Teacher Academy program. Graduates of the teacher academy will be given priority for student teaching opportunities in the District. Upon completion of the program, graduates will be offered an interview for any open position for which they apply and are qualified to fill. The parties will agree on an appropriate amount of time for the Association to address the class regarding the Association's role in public education.

Effective September 1, 2018 through August 30, 2021.
